Located on the southern tip of Beach Road, the Siam Bayshore Resort is just a short stroll to town, yet secluded enough to get away from it all. Distinctive for its unique architecture, 12 interconnected wings rise amid 20 acres of lush gardens.

Designed to enhance the beauty of the tropical setting, the 270 rooms are spacious and all have private balconies. Each room also features first-class amenities, such as direct dial telephone, cable and satellite TV, refrigerator, mini-bar and private bath and shower.

For recreational fun, enjoy the brand new garden swimming pool with jacuzzi, four floodlit tennis courts, football lawn, velleyball, table tennis, darts, exercise studio, billiard room and an assortment of watersports nearby. Children can make friends at the playground or splash in the children's pool with a giant slide?

After a day of activity, wind down with a relaxing Thai massage, then stroll down to the lobby pavilion, where you'll find a charming selection of restaurants serving a variety of delicious cuisines, from Swiss Fondue to the best Chinese food in town. Spoil yourself with a drink or two in one of the lounges or watch the sunset while feasting on the beachside barbecue. Whatever you choose to do, the friendly staff are always at hand to provide assistance and care.

The gardens, pool terraces and the seaside Beach Club are ideal venues for incentive theme parties. Meeting organizers will also appreciate the seminar and banquet facilities accommodating up to 400 people.

A member of Thailand's "Green Leaf Hotels," the Siam Bayshore Resort is proud of its "Think Green" policies which place environmental conservation as top priority.

Leave your worries behind and spoil yourself at the Siam Bayshore Resort. A friendly oasis of comfort and tranquility... once you've stepped inside, you may never want to leave!
